How to Read Library E-books on Your **Apple or Android** Device (Tablet or Smart Phone)

1. Go to the Apple App Store or the Android Market on your device.
2. Download the free Overdrive Media Console application.
3. Open the application on your device.
4. Press the menu button on your device.
5. Press “Get Books”.
6. Type in “43050” to find the Public Library of Mount Vernon and Knox County.
7. Press “Public Library of Mount Vernon and Knox County”.
8. Press “Ohio E-book Project”. (Steps 1, 2, 6 & 7 will only have to be completed the first time you access an e-book.)
9. Search for a book you want to check out. You will be looking for a book in the Adobe E-Pub format.
10. If the item says “Add to Cart”, press that. If the item says “Join the Waiting List”, and you want to be notified by email when it is your turn to check out the book, then press that.
11. After you add an item to your cart, press “Proceed to Checkout”.
12. Select “Public Library of Mount Vernon and Knox County” from the dropdown list to begin the log-in process.
13. Type in the number on the back of your library card.
14. Press “Confirm Checkout”.
15. Press “Download”.
16. You may need to authorize your device with an Adobe ID as prompted. Follow the onscreen directions to acquire an ID and authorize the device.
17. When the download process is complete tap on the title of the book to read and enjoy!
