

How to download books to your Kindle through the Ohio E-book Project!

(1) Access the Ohio E-book Project by going to www.knox.net and clicking on the “Downloads” tab at the top of the page.

(2) Click “Ohio E-book project” to access the website from which you will download your books.

(3) Once you are on the Ohio E-book webpage you can sign in. Look for the “sign in” link near the top right of the page. Click that link and select the Public Library of Mount Vernon and Knox County from the drop down list. Finally, input your library card number and you will be logged in!

(4) To search for Kindle specific books, click the advanced search link near the top right of the page. Change the format in the drop down menu to Kindle Book. If you want to find a book with no waiting list, then click the “only show items with copies available” box.

(5) Once you have found a book you want to check out click, “Add to Cart” directly across from the Kindle book icon. Choose to continue browsing or proceed to check out. When you are done choosing books, click “proceed to check out.”
